FAR/DFARS CLAUSES/PROVISIONS INCORPORATED BY REFERENCE

INCORPORATION OF APPLICABLE CLAUSES, PROVISIONS, AND OTHER REQUIREMENTS FOR NON-COMMERCIAL SUBCONTRACTS EB - VERSION 01

- a. The Federal Acquisition Regulation (FAR) and Defense Federal Acquisition Regulation Supplement (DFARS) clauses cited below are incorporated by reference as if set forth in full text, and are applicable, including any notes or other language following the clause citation, to this subcontract.
The full text of all clauses incorporated by reference is available at <http://www.acquisition.gov/>.
If so identified, this Order is a "rated order" certified for national defense use and SELLER shall follow all the requirements of the Defense Priorities and Allocation System (DPAS) Regulation (15 C.F.R. Part 700).
- b. Unless the text in these clauses clearly reserves rights in the Government only, in whole or in part, or as otherwise noted, the terms:
 - i. "Purchase Order" shall be substituted for "Contract";
 - ii. "Purchaser" or "BUYER" for "Government" or "Contracting Officer" or equivalent phrases;
 - iii. "SELLER" for "Contractor"; and
 - iv. "SELLER's lower-tier SELLER" for "Subcontractor" when it can so reasonably be interpreted and it is not obvious that the words refer to BUYER's prime contract, the Government or Contracting Officer, the BUYER, or the SELLER itself.
- c. **Flow Down Requirement - SELLER agrees to flow down the FAR and DFARS clauses as well as those clauses and provisions contained in this document to its lower-tier SELLERS and to also require further flow down, where applicable.**
- d. **BlueForge identification of applicable clause thresholds and further flow down requirements is informational only and is not to be construed as determinative. SELLER remains responsible for determining and complying with all clause flow down requirements.**
- e. When the materials or products furnished are for use in connection with a U.S. Government contract or subcontract, in addition to BlueForge's General Terms & Conditions and Special Provisions, the following clauses shall apply, as required by the terms of the prime contract, or by operation of law or regulation. Otherwise, BlueForge's General Terms and Conditions shall govern in the event of a conflict between these FAR and DFARS clauses and BlueForge's clauses.
- f. The following clauses set forth in the FAR and DFARS in effect as of the date of the prime contract are incorporated herein by reference with the same force and effect as if they were in full text.
- g. Clauses in this document may not be applicable to specific orders due to the type of Purchase Order to be issued, dollar thresholds under requirements of the FAR, DFARS or Public Law or Mandatory Flow Down requirements of a particular prime contract. Clauses that are not applicable are deemed self-deleting, shall not be removed from this document, and will be considered by all parties to be without force and effect. It is the SELLER's obligation to contact BlueForge regarding any confusion, ambiguity, or questions the SELLER may have regarding applicability of the following clauses.

FAR/DFARS CLAUSES MODIFIED TO READ AS SHOWN AND INCORPORATED IN FULL TEXT

1. **52.215-10, PRICE REDUCTION FOR DEFECTIVE COST OR PRICING DATA (AUG 2011)** (Modified to read as shown below.)(Applies if this order exceeds the applicable threshold for submission of cost or pricing data (FAR 15.403-4) for SELLER or lower-tier subcontractor on the date of agreement on price or the date of award, whichever is later.
 - a. For purposes hereunder, the term "contract" shall include letter contracts, Purchase Order, delivery order or task order, or any other contractual vehicle between the BUYER and the SELLER.
 - b. If any price, including profit or fee, negotiated in connection with this contract, or any cost reimbursable under this contract, was increased by any significant amount because –
 - i. The SELLER or a lower-tier subcontractor furnished certified cost or pricing data that were not complete, accurate, and current as certified in its Certificate of Current Cost or Pricing Data;
 - ii. A lower-tier subcontractor or prospective lower-tier subcontractor furnished the SELLER certified cost or pricing data that were not complete, accurate, and current as certified in the SELLER's Certificate of Current Cost or Pricing Data; or
 - iii. Any of these parties furnished data of any description that were not accurate, the price or cost shall be reduced accordingly and the contract shall be modified to reflect the reduction.
 - c. Any reduction in the contract price under paragraph (a) of this clause due to defective data from a prospective lower-tier subcontractor that was not subsequently awarded the lower-tier subcontract shall be limited to the amount, plus applicable overhead and profit markup, by which—
 - i. The actual lower-tier subcontract; or
 - ii. The actual cost to the SELLER, if there was no lower-tier subcontract, was less than the prospective lower-tier subcontract cost estimate submitted by the SELLER; provided, that the actual lower-tier subcontract price was not itself affected by defective cost or pricing data.
 - d. If the BUYER's Contracting Officer determines under paragraph (a) of this clause applicable to BUYER's prime contract that a price or cost reduction should be made to BUYER's prime contract and BUYER determines under paragraph (a) of this clause that a price or cost reduction should be made to this contract, the SELLER agrees not to raise the following matters as a defense:
 - i. The SELLER or lower-tier subcontractor was a sole source supplier or otherwise was in a superior bargaining position and thus the price of the contract would not have been modified even if accurate, complete, and current cost or pricing data had been submitted.
 - ii. The BUYER should have known that the cost or pricing data in issue were defective even though the SELLER or lower-tier subcontractor took no affirmative action to bring the character of the data to the attention of the BUYER.
 - iii. The contract was based on an agreement about the total cost of the contract and there was no agreement about the cost of each item procured under the contract.
 - iv. The SELLER or lower-tier subcontractor did not submit a Certificate of Current Cost or Pricing Data.

- e. Except as prohibited by subdivision (e)(iii) of this clause, an offset in an amount determined appropriate by the BUYER based upon the facts shall be allowed against the amount of a contract price reduction if—
 - i. The SELLER certifies to the BUYER that, to the best of the SELLER's knowledge and belief, the SELLER is entitled to the offset in the amount requested; and
 - ii. (B) The SELLER proves that the cost or pricing data were available before the "as of" date specified on its Certificate of Current Cost or Pricing Data, and that the data were not submitted before such date.
 - iii. An offset shall not be allowed if—
 - 1. The understated data were known by the SELLER to be understated before the "as of" date specified on its Certificate of Current Cost or Pricing Data; or
 - 2. The BUYER or the Government proves that the facts demonstrate that the contract price would not have increased in the amount to be offset even if the available data had been submitted before the "as of" date specified on its Certificate of Current Cost or Pricing Data.
- f. If any reduction in the contract price under this clause reduces the price of items for which payment was made prior to the date of the modification reflecting the price reduction, the SELLER shall be liable to and shall pay the BUYER at the time such overpayment is repaid—
 - i. Interest compounded daily, as required by [26 U.S.C. 6622](#), on the amount of such overpayment to be computed from the date(s) of overpayment to the SELLER to the date the Government is repaid by the SELLER at the applicable underpayment rate effective for each quarter prescribed by the Secretary of the Treasury under [26 U.S.C. 6621\(a\)\(2\)](#); and
 - ii. penalty equal to the amount of the overpayment, if the SELLER or lower-tier subcontractor knowingly submitted cost or pricing data that were incomplete, inaccurate, or noncurrent.

2. 52.215-19, NOTIFICATION OF OWNERSHIP CHANGES (OCT 1997) (Modified to read as shown below.)

This clause applies to solicitations and orders that meet the applicability requirements of FAR 15.408(k) (e.g., for which it is contemplated that cost or pricing data will be required or for which any pre-award or post-award cost determination will be subject to Part 31.2.

- a. The SELLER shall make the following notifications in writing:
 - i. When the SELLER becomes aware that a change in its ownership has occurred, or it is certain to occur, that could result in changes in the valuation of its capitalized assets in the accounting records, the SELLER shall notify the BUYER within 10 (ten) working days of the effective date of the change or of becoming aware if the prospective change, whichever is earlier.
 - ii. The SELLER shall also notify the BUYER within 10 (ten) working days of the effective date of the change or of becoming aware if the prospective change, whichever is earlier, whenever changes to asset valuations or any other cost changes have occurred or are certain to occur as a result of a change in ownership.
- b. The SELLER shall —
 - iii. Maintain current, accurate, and complete inventory records of assets and their costs;
 - iv. Provide the Government, BUYER or the designated representative of either ready access to the records upon request;

 - vi. Retain and continue to maintain depreciation and amortization schedules based on the asset records maintained before each SELLER ownership change.

 1. Goals, expressed in terms of percentages of total planned subcontracting dollars, for the use of small business, veteran-owned small business, service-disabled veteran-owned small business, HUBZone small business, small disadvantaged business, and women-owned small business concerns as subcontractors.  - A. In most cases, the appropriate Contractor is the Contractor that awarded the subcontract to the ANC or Indian tribe.
 - B. The sum of the amounts designated to various Contractors cannot exceed the total value of the subcontract.
 - C. The ANC or Indian tribe shall give a copy of the written designation to the Contracting Officer, the prime Contractor, and the subcontractors in between the prime Contractor and the ANC or Indian tribe within 30 days of the date of the subcontract award.

A firm may rely on the information contained in SAM as an accurate representation of a concern’s size and ownership characteristics for the purposes of maintaining a small, veteran-owned small, service-disabled veteran-owned small, HUBZone small, small disadvantaged, and women-owned small business source list. Use of SAM as its source list does not relieve a firm of its responsibilities (e.g., outreach, assistance, counseling, or publicizing subcontracting opportunities) in this clause.

9. Responding to a request for a quote does not constitute use in preparing a bid or proposal. The Offeror used a small business concern in preparing the bid or proposal if--
 - i. The Offeror identifies the small business concern as a subcontractor in the bid or proposal or associated small business subcontracting plan, to furnish certain supplies or perform a portion of the subcontract; or
 - ii. The Offeror used the small business concern's pricing or cost information or technical expertise in preparing the bid or proposal, where there is written evidence of an intent or understanding that the small business concern will be awarded a subcontract for the related work if the Offeror is awarded the contract.

 1. Assist small business, veteran-owned small business, service-disabled veteran-owned small business, HUBZone small business, small disadvantaged business, and women-owned small business concerns by arranging solicitations, time for the preparation of bids, quantities, specifications, and delivery schedules so as to facilitate the participation by such concerns. Where the Contractor's lists of potential small business, veteran-owned small business, service-disabled veteran-owned small business, HUBZone small business, small disadvantaged business, and women-owned small business subcontractors are excessively long, reasonable effort shall be made to give all such small business concerns an opportunity to compete over a period of time.
 2. Provide adequate and timely consideration of the potentialities of small business, veteran-owned small business, service-disabled veteran-owned small business, HUBZone small business, small disadvantaged business, and women-owned small business concerns in all "make-or-buy" decisions.
 3. Counsel and discuss subcontracting opportunities with representatives of small business, veteran-owned small business, service-disabled veteran-owned small business, HUBZone small business, small disadvantaged business, and women-owned small business firms.
 4. Confirm that a subcontractor representing itself as a HUBZone small business concern is identified as a certified HUBZone small business concern by accessing the SAM database or by contacting SBA.
 5. Provide notice to subcontractors concerning penalties and remedies for misrepresentations of business status as small, veteran-owned small business, HUBZone small, small disadvantaged or women-owned small business for the purpose of obtaining a subcontract that is to be included as part or all of a goal contained in the Contractor's subcontracting plan.
 6. For all competitive subcontracts over the simplified acquisition threshold in which a small business concern received a small business preference, upon determination of the successful subcontract offeror, the Contractor must inform each unsuccessful small business subcontract offeror in writing of the name and location of the apparent successful offeror prior to award of the contract.
- f. A master plan on a plant or division-wide basis that contains all the elements required by paragraph (d) of this clause, except goals, may be incorporated by reference as a part of the subcontracting plan required of the offeror by this clause; provided --

 2. The offeror ensures that the master plan is updated as necessary and provides copies of the approved master plan, including evidence of its approval, to the Contracting Officer; and
 3. Goals and any deviations from the master plan deemed necessary by the Contracting Officer to satisfy the requirements of this contract are set forth in the individual subcontracting plan.
- g. A commercial plan is the preferred type of subcontracting plan for contractors furnishing commercial items. The commercial plan shall relate to the offeror's planned subcontracting generally, for both commercial and Government business, rather than solely to the Government contract. Once the Contractor's commercial plan has been approved, the Government will not require another subcontracting plan from the same Contractor while the plan remains in effect, as long as the product or service being provided by the Contractor continues to meet the definition of a commercial item. A Contractor with a commercial plan shall comply with the reporting requirements stated in paragraph (d)(10) of this clause by submitting one SSR in eSRS for all contracts covered by its commercial plan. This report shall be acknowledged or rejected in eSRS by the Contracting Officer who approved the plan. This report shall be submitted within 30 days after the end of the Government's fiscal year.
- h. Prior compliance of the offeror with other such subcontracting plans under previous contracts will be considered by the Contracting Officer in determining the responsibility of the offeror for award of the contract.
- i. A contract may have no more than one plan. When a modification meets the criteria in 19.702 for a plan, or an option is exercised, the goals associated with the modification or option shall be added to those in the existing subcontract plan.
- j. Subcontracting plans are not required from subcontractors when the prime contract contains the clause at 52.212-5, Contract Terms and Conditions Required to Implement Statutes or Executive Orders--Commercial Items, or when the subcontractor provides a commercial item subject to the clause at 52.244-6, Subcontracts for Commercial Items, under a prime contract.
- k. The failure of the Contractor or subcontractor to comply in good faith with --
 1. The clause of this contract entitled "Utilization Of Small Business Concerns;" or
 2. An approved plan required by this clause, shall be a material breach of the contract.
- l. The Contractor shall submit ISRs and SSRs using the web-based eSRS at <http://www.esrs.gov>. Purchases from a corporation, company, or subdivision that is an affiliate of the prime Contractor or subcontractor are not included in these reports. Subcontract award data reported by prime Contractors and subcontractors shall be limited to awards made to their immediate next-tier subcontractors. Credit cannot be taken for awards made to lower tier subcontractors, unless the Contractor or subcontractor has been designated to receive a small business or small disadvantaged business credit from an ANC or Indian tribe. subcontracts involving performance in the United States or its outlying areas should be included in these reports with the exception of subcontracts under a contract awarded by the State Department or any other agency that has statutory or regulatory authority to require subcontracting plans for subcontracts performed outside the United States and its outlying areas.
 1. ISR. This report is not required for commercial plans. The report is required for each contract containing an individual subcontract plan.
 - i. The report shall be submitted semi-annually during contract performance for the periods ending March 31 and September 30. A report is also required for each contract within 30 days of contract completion. Reports are due 30 days after the close of each reporting period, unless otherwise directed by the Contracting Officer. Reports are required when due, regardless of whether there has been any subcontracting activity since the inception of the contract or the previous reporting period.
 - ii. When a subcontracting plan contains separate goals for the basic contract and each option, as prescribed by FAR 19.704(c), the dollar goal inserted on this report shall be the sum of the base period through the current option; for example, for a report submitted after the second option is exercised, the dollar goal would be the sum of the goals for the basic contract, the first option, and the second option.
 - iii. The authority to acknowledge receipt or reject the ISR resides--
 - A. In the case of the prime Contractor, with the Contracting Officer; and
 - B. In the case of a subcontract with a subcontracting plan, with the entity that awarded the subcontract.
 2. SSR.
 - i. Reports submitted under individual contract plans--
 - A. This report encompasses all subcontracting under prime contracts and subcontracts with the awarding agency, regardless of the dollar value of the subcontracts.
 - B. The report may be submitted on a corporate, company or subdivision (e.g. plant or division operating as a separate profit center) basis, unless otherwise directed by the agency.
 - C. If a prime contractor and/or subcontractor is performing work for more than one executive agency, a separate report shall be submitted to each executive agency covering only that agency's contracts, provided at least one of that agency's contracts is over \$700,000 (over

\$1.5 million for construction of a public facility) and contains a subcontracting plan. For DoD, a consolidated report shall be submitted for all contracts awarded by military departments/agencies and/or subcontracts awarded by DoD prime Contractors.

D. The consolidated SSR shall be submitted annually for the twelve month period ending September 30. The report is due 30 days after the close of the reporting period.

E. Subcontract awards that are related to work for more than one executive agency shall be appropriately allocated.

F. The authority to acknowledge or reject SSRs in eSRs, including SSRs submitted by subcontractors with subcontracting plans, resides with the Government agency awarding the prime contracts unless stated otherwise in the contract.

ii. Reports submitted under a commercial plan--

A. The report shall include all subcontract awards under the commercial plan in effect during the Government's fiscal year.

B. The report shall be submitted annually, within thirty days after the end of the Government's fiscal year.

C. If a Contractor has a commercial plan and is performing work for more than one executive agency, the Contractor shall specify the percentage of dollars attributable to each agency from which contracts for commercial items were received.

D. The authority to acknowledge or reject SSRs for commercial plans resides with the Contracting Officer who approved the commercial plan.

4. 52.222-54, EMPLOYMENT ELIGIBILITY VERIFICATION ("E-Verify") (Oct 2015) (Modified to read as shown below.)

This Purchase Order is a subcontract under a U.S. Government prime contract.

a. Applicability: This clause applies, appropriately modified for identification of the parties, in each subcontract/letter contract/Purchase Order that—

i. Is for—

1. Commercial or noncommercial services (except for commercial services that are part of the purchase of a COTS item (or an item that would be a COTS item, but for minor modifications), performed by the COTS provider, and are normally provided for that COTS item); or
2. Construction;
3. Has a value of more than U.S. \$3,500; and
4. Includes work performed in the United States; and
5. Has a period of performance of one hundred twenty (120) days or more.

b. When this clause applies, it requires enrollment as a "voluntary employer" or as a U.S. Federal Contractor in the E-Verify program within the specified period of time.

c. Verification of Enrollment: SELLER is to provide the BUYER with a copy (printout or print screen image) of its company administration screen in E-verify in order to verify subcontractor compliance. Note: It is the screen which shows that the company is a registered participant in E-verify and indicates whether it is participating as a "voluntary employer" or as a "federal contractor".)

d. Definitions. As used in this clause—

i. "Commercially available off-the-shelf (COTS) item"—

1. Means any item of supply that is—
 - a. A commercial item (as defined in paragraph (1) of the definition at [2.101](#));
2. Sold in substantial quantities in the commercial marketplace; and
3. Offered to the Government, without modification, in the same form in which it is sold in the commercial marketplace; and
4. Does not include bulk cargo, as defined in [46 U.S.C. 40102\(4\)](#), such as agricultural products and petroleum products. Per 46 CFR 525.1 (c)(2), "bulk cargo" means cargo that is loaded and carried in bulk onboard ship without mark or count, in a loose unpackaged form, having homogenous characteristics. Bulk cargo loaded into intermodal equipment, except LASH or Seabee barges, is subject to mark and count and, therefore, ceases to be bulk cargo.

ii. "Employee assigned to the contract" means an employee who was hired after November 6, 1986 (after November 27, 2009 in the Commonwealth of the Northern Mariana Islands), who is directly performing work, in the United States, under a contract that is required to include the clause prescribed at [22.1803](#). An employee is not considered to be directly performing work under a contract if the employee—

1. Normally performs support work, such as indirect or overhead functions; and
2. Does not perform any substantial duties applicable to the contract.

iii. "Subcontract" means any contract, as defined in [2.101](#), entered into by a subcontractor to furnish supplies or services for performance of a prime contract or a subcontract. It includes but is not limited to Purchase Orders, and changes and modifications to Purchase Orders.

iv. "Subcontractor" means any supplier, distributor, vendor, or firm that furnishes supplies or services to or for a prime Contractor or another subcontractor.

v. "United States", as defined in [8 U.S.C. 1101\(a\)\(38\)](#), means the 50 States, the District of Columbia, Puerto Rico, Guam, the Commonwealth of the Northern Mariana Islands and the U.S. Virgin Islands.

e. **Enrollment and verification requirements.** (1) If the SELLER is not enrolled as a Federal Contractor in E-Verify at time of subcontract award, the SELLER shall—

- i. *Enroll*. Enroll as a Federal Contractor in the E-Verify program within 30 calendar days of this subcontract award;
- ii. *Verify all new employees*. Within 90 calendar days of enrollment in the E-Verify program, begin to use E-Verify to initiate verification of employment eligibility of all new hires of the SELLER, who are working in the United States, whether or not assigned to the contract, within 3 business days after the date of hire (but see paragraph (b)(3) of this section); and
- iii. *Verify employees assigned to the contract*. For each employee assigned to this subcontract, initiate verification within 90 calendar days after date of enrollment or within 30 calendar days of the employee's assignment to the subcontract, whichever date is later (but see paragraph (b)(4) of this section).
- iv. If the SELLER is enrolled as a Federal Contractor in E-Verify at time of subcontract award, the SELLER shall use E-Verify to initiate verification of employment eligibility of—
- v. *All new employees*. (A) *Enrolled 90 calendar days or more*. The SELLER shall initiate verification of all new hires of the SELLER, who are working in the United States, whether or not assigned to the contract, within 3 business days after the date of hire (but see paragraph (b)(3) of this section); or
- vi. *Enrolled less than 90 calendar days*. Within 90 calendar days after enrollment as a Federal Contractor in E-Verify, the SELLER shall initiate verification of all new hires of the SELLER, who are working in the United States, whether or not assigned to the subcontract, within 3 business days after the date of hire (but see paragraph (b)(3) of this section); or

- vii. *Employees assigned to the contract.* For each employee assigned to the subcontract, the SELLER shall initiate verification within 90 calendar days after date of subcontract award or within 30 days after assignment to the subcontract, whichever date is later (but see paragraph (b)(4) of this section).
- viii. If the SELLER is an institution of higher education (as defined at [20 U.S.C. 1001\(a\)](#)); a State or local government or the government of a Federally recognized Indian tribe; or a surety performing under a takeover agreement entered into with a Federal agency pursuant to a performance bond, the SELLER may choose to verify only employees assigned to the subcontract, whether existing employees or new hires. The SELLER shall follow the applicable verification requirements at (b)(1) or (b)(2) respectively, except that any requirement for verification of new employees applies only to new employees assigned to the subcontract.
- ix. *Option to verify employment eligibility of all employees.* The SELLER may elect to verify all existing employees hired after November 6, 1986 (after November 27, 2009, in the Commonwealth of the Northern Mariana Islands), rather than just those employees assigned to the subcontract. The SELLER shall initiate verification for each existing employee working in the United States who was hired after November 6, 1986 (after November 27, 2009, in the Commonwealth of the Northern Mariana Islands), within 180 calendar days of—
 - 1. Enrollment in the E-Verify program; or
 - 2. Notification to E-Verify Operations of the SELLER's decision to exercise this option, using the contact information provided in the E-Verify program Memorandum of Understanding (MOU).
- f. The SELLER shall comply, for the period of performance of this contract, with the requirements of the E-Verify program MOU.
- g. The Department of Homeland Security (DHS) or the Social Security Administration (SSA) may terminate the SELLER's MOU and deny access to the E-Verify system in accordance with the terms of the MOU. In such case, the SELLER will be referred to a suspension or debarment official.
- h. During the period between termination of the MOU and a decision by the suspension or debarment official whether to suspend or debar, the SELLER is excused from its obligations under paragraph (b) of this clause. If the suspension or debarment official determines not to suspend or debar the SELLER, then the SELLER must re-enroll in E-Verify.
- i. **Web site.** Information on registration for and use of the E-Verify program can be obtained via the Internet at the Department of Homeland Security Web site: <http://www.dhs.gov/E-Verify>.
- j. **Individuals previously verified.** The SELLER is not required by this clause to perform additional employment verification using E-Verify for any employee—
 - i. Whose employment eligibility was previously verified by the SELLER through the E-Verify program;
 - ii. Who has been granted and holds an active U.S. Government security clearance for access to confidential, secret, or top secret information in accordance with the National Industrial Security Program Operating Manual; or
 - iii. Who has undergone a completed background investigation and been issued credentials pursuant to Homeland Security Presidential Directive (HSPD)-12, Policy for a Common Identification Standard for Federal Employees and Contractors.
- k. **Subcontracts.** The SELLER shall include the requirements of this clause, including this paragraph (e) (appropriately modified for identification of the parties), in each subcontract that—
 - i. Is for —
 - 1. Commercial or noncommercial services (except for commercial services that are part of the purchase of a COTS item (or an item that would be a COTS item, but for minor modifications), performed by the COTS provider, and are normally provided for that COTS item); or
 - 2. Construction;
 - 3. Has a value of more than \$3,500; and
 - ii. Includes work performed in the United States.

5. 52.243-1, CHANGES – FIXED PRICE (Aug 1987) & ALT II (Apr 1984) (Modified to read as shown below.)

- a. The BUYER may at any time, by written order, and without notice to the sureties, if any, make changes within the general scope of this Purchase Order in any one or more of the following:
 - i. Drawings, designs, or specifications when the supplies to be furnished are to be specially manufactured for the BUYER or the Government in accordance with the drawings, designs, or specifications.
 - ii. Method of shipment or packing.
 - iii. Place of delivery.
 - iv. Inspection Standards.
 - v. Place or time of inspection.
- b. If any such change causes an increase or decrease in the cost of, or the time required for, performance of any part of the work under this contract, whether or not changed by the order, the BUYER shall make an equitable adjustment in the Purchase Order price, the delivery schedule, or both, and shall modify the Purchase Order.
- c. The SELLER must assert its right to an adjustment under this clause within 20 days from the date of receipt of the written order. However, if the BUYER decides that the facts justify it, the BUYER may receive and act upon a proposal submitted before final payment of the Purchase Order.
- d. If the SELLER's proposal includes the cost of property made obsolete or excess by the change, the BUYER shall have the right to prescribe the manner of the disposition of the property.
- e. Failure to agree to any adjustment shall be a dispute under the Disputes clause of this Purchase Order. However, nothing in this clause shall excuse the SELLER from proceeding with the contract as changed.
- f. Alternate I (Apr 1984). If the requirement is for services, other than architect-engineer or other professional services, and no supplies are to be furnished, substitute the following paragraph (a) for paragraph (a) of the basic clause:
 - i. The BUYER may at any time, by written order, and without notice to the sureties, if any, make changes within the general scope of this Purchase Order in any one or more of the following:
 - 1. Description of services to be performed.
 - 2. Time of performance (i.e., hours of the day, days of the week, etc.).
 - 3. Place of performance of the services.

 - i. The BUYER may at any time, by written order, and without notice to the sureties, if any, make changes within the general scope of this Purchase Order in any one or more of the following:
 - 1. Description of services to be performed.

2. Time of performance (i.e., hours of the day, days of the week, etc.).

5. Method of shipment or packing of supplies.
6. Place of delivery.
7. Inspection Standards
8. Place or time of inspection.

6. 52.246-2 INSPECTION OF SUPPLIES - FIXED PRICE (Aug 1996), Modified to read as shown below.

- a. Definition. "Supplies," as used in this clause, includes but is not limited to raw materials, components, intermediate assemblies, end products, and lots of supplies.
- b. Inspection System & Inspection. The SELLER and its suppliers shall establish and maintain an inspection system acceptable to the BUYER and the Government covering supplies under this Purchase Order. SELLER shall tender to the BUYER for acceptance only supplies that have been inspected in accordance with the inspection system and have been found by the SELLER to be in conformity with Purchase Order requirements. As part of the system, the SELLER shall prepare records evidencing all inspections made under the system and the outcome. These records shall be kept complete and made available to the BUYER and/or the Government during Purchase Order performance and for as long afterwards as the Purchase Order requires. The BUYER or the Government may perform reviews and evaluations as reasonably necessary to ascertain compliance with this paragraph. These reviews and evaluations shall be conducted in a manner that will not unduly delay the Purchase Order work. The right of review, whether exercised or not, does not relieve the SELLER of the obligations under the Purchase Order.
- c. BUYER and/or the Government have the right to inspect and test all supplies called for by the Purchase Order, to the extent practicable, at all places and times, including the period of manufacture, and in any event before acceptance. BUYER and/or the Government shall perform inspections and tests in a manner that will not unduly delay the work. BUYER assumes no contractual obligation to perform any inspection and test for the benefit of the SELLER unless specifically set forth elsewhere in this Purchase Order. SELLER, at its own expense, shall promptly rectify any defects discovered during any inspection or test.
- d. If the BUYER or the Government performs inspection or test on the premises of the SELLER or a subcontractor, the SELLER shall furnish, and shall require subcontractors to furnish, at no increase in Purchase Order price, all reasonable facilities and assistance for the safe and convenient performance of these duties. Except as otherwise provided in the Purchase Order, BUYER and/or the Government shall bear the expense of inspections or tests made by either of them at other than the SELLER's or subcontractor's premises; provided, that in case of rejection, BUYER and/or the Government shall not be liable for any reduction in the value of inspection or test samples.
- e. When supplies are not ready at the time specified by the SELLER for inspection or test, SELLER shall bear the additional cost of inspection or test.
- f. BUYER may charge the SELLER any additional cost of inspection or test when prior rejection makes re-inspection or retest necessary.
- g. If this Purchase Order provides for the performance of BUYER or Government quality assurance at source, and if requested by BUYER or Government, SELLER shall furnish advance notification of the time (i) when SELLER inspection or tests will be performed in accordance with the terms and conditions of the Purchase Order and (ii) when the supplies will be ready for BUYER and/or Government inspection.
- h. The BUYER and/or Government's request shall specify the period and method of the advance notification and BUYER or Government representative to whom it shall be furnished. Requests shall not require more than 2 workdays of advance notification if the BUYER or Government representative is in residence in the SELLER's plant, nor more than 7 workdays in other instances.
- i. Any rejection of supplies will be handled in accordance with the "Rejection" clause above.
- j. Inspections and tests by the BUYER and/or Government do not relieve the SELLER of responsibility for defects or other failures to meet Purchase Order requirements discovered before acceptance. No inspection, test, delay, failure to inspect or test, or failure to discover any defect or other nonconformance shall relieve SELLER of any of its obligations under this Purchase Order or impair any rights or remedies of BUYER or BUYER's customers. Acceptance shall be conclusive, except for latent defects, fraud, gross mistakes amounting to fraud, or as otherwise provided in the Purchase Order. Payments made shall not be conclusive of acceptance.
- k. If acceptance is not conclusive for any of the reasons in paragraph (j) hereof, BUYER, in addition to any other rights and remedies provided by law, or under other provisions of this Purchase Order, shall have the right to require SELLER:
 - a. at no increase in Purchase Order price, to correct or replace the defective or nonconforming supplies at the original point of delivery or at SELLER's plant at BUYER's election, and in accordance with a reasonable delivery schedule as may be agreed upon between SELLER and BUYER; provided, that BUYER may require a reduction in Purchase Order price if the SELLER fails to meet such delivery schedule, or
 - b. within a reasonable time after receipt by the SELLER of notice of defects or nonconformance, to repay such portion of the Purchase Order price as is equitable under the circumstances if BUYER elects not to require correction or replacement.

When supplies are returned to SELLER, SELLER shall bear the transportation cost from the original point of delivery to SELLER's plant and return to the original point when that point is not the SELLER's plant. If SELLER fails to perform or act as required in (1) or (2) above and does not cure such failure within a period of 10 days (or such longer period as BUYER may authorize in writing) after receipt of notice from BUYER specifying such failure, BUYER shall have the right by contract or otherwise to replace or correct such supplies and charge to SELLER the cost occasioned BUYER thereby.

7. 52.246-4 INSPECTION OF SERVICES - FIXED PRICE (Aug 1996) (Modified to read as shown below.)

- a. Definitions. "Services," as used in this clause, includes services performed, workmanship, and material furnished or utilized in the performance of services.

The BUYER and/or the Government shall have the right to inspect and test all services called for by the Purchase Order, to the extent practicable, at all times and places during the term of the Purchase Order. The BUYER and/or the Government shall perform inspections and tests in a manner that will not unduly delay the work. SELLER, at its own expense, shall promptly rectify any defects discovered during any inspection or test.
- d. If the BUYER or the Government performs inspections or tests on the premises of the SELLER or a subcontractor, the SELLER shall furnish, and shall require subcontractors to furnish, at no increase in contract price, all reasonable facilities and assistance for the safe and convenient performance of these duties.
- e. See Rejection clause.
